

## Quality Policy

Dynamic Electronics Solutions is committed to providing solutions for the responsible, effective management and resale of new and unused electrical components in a manner protecting the environment, worker health and safety, our clients and our community.

- Dynamic Electronics Solutions is committed to continual improvement and meeting our customer requirements.
- Dynamic Electronics Solutions is committed to complying with applicable legal and other requirements relative to the quality aspects of our business and fulfill its compliance obligations.
- Dynamic Electronics Solutions is committed to providing a framework for setting and reviewing quality objectives.
  - Dynamic Electronics Solutions is committed to continuous improvement achieved through monitoring of objectives and rigorous evaluation of our management system.
  - Dynamic Electronics Solutions is committed to communicating and reinforcing this policy throughout our company, to all persons working for or on behalf of the organization as well as to our customers, our suppliers, and other interested parties.
